

The Season of Giving at Luxent Hotel

In true spirit of the season, Luxent Hotel prepared a special activity to give gifts to the less-privileged children of Bethlehem House of Bread, a foster home for neglected youth.

As part of its Corporate Social Responsibility, Luxent Hotel encourages everyone to donate and share the love through the spirit of gift-giving for the coming Christmas season with the Christmas Shoebox Drive. To join, guests must fill a shoebox with small gifts like stuffed toys, art material, or useful items such as clothes, socks, caps, and the like. Materials like war-related items such as military figures, guns, as well

as food, medicine, and hazardous items are prohibited from inclusion. Guests may also include a note in their boxes and give a simple message or prayer for the recipient. The boxes can be dropped off at the hotel lobby. The campaign runs all days of November until December 15.

**GIVE THE GIFT OF CHRISTMAS,
