### **Bellevue's Blissful Beds**

**MARCH 14, 2017, MANILA** – The Bellevue Hotels and Resorts endeavors to deliver the utmost hotel experience by providing the finest service and amenities for a worthwhile and luxurious stay.

Bellevue's service-oriented approach to Filipino hospitality is embedded in its properties such as The Bellevue Manila, The Bellevue Resort Bohol, B Hotel Alabang, and B Hotel Quezon City.

*"Guest satisfaction is the new business entity,"* said Mr. Ryan Chan, the Managing Director of B Hotels. The Filipino-owned hotel group is constantly delivering world-class quality in its properties from the prime facilities down to the smallest details in the rooms where guests spend most of their stay.

Taking quality and comfortability in mind, the hotel group sourced the properties' bedding staples from the Pacific Coast Feather Company, a US-based premium bedding solutions provider, setting a new gold standard in elevating the hotel experience in the country.

Using only the finest duck down and down feathers, the ADFC certified beddings of the properties — soft and fluffy pillows, cozy and feathery mattresses and smooth, puffy duvets — bring guests to a sense of grand harmony and comfort in their slumber.

This tranquil state of repose adds an exclusive touch on a guest's hotel experience that is uniquely Bellevue.

With the goal of constantly providing an unforgettable and relaxing hotel experience to their guests, The Bellevue Hotels and Resorts is committed and continues to raise the bar and be at par to global quality in servicing Filipino hospitality.
